### 5 SAMPLE

Where a sample of the Goods is shown to and inspected by the Buyer, the parties hereto accept that such a sample is so shown and inspected for the sole purpose of enabling the Buyer to judge for itself the quality of the bulk, and not so as to constitute a sale by sample.

### 7 RISK

### 8 RETENTION OF TITLE

The risk in the Goods shall pass from the Seller to the Buyer upon delivery of such goods to the Buyer. However, notwithstanding delivery and the passing of risk in the Goods, title and property in the Goods, including full legal and beneficial ownership, shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full for all goods delivered to the Buyer under this and all other contracts between the Seller and

the Buyer for which the full price of the goods there under has not been paid. Payment of the full price of the goods shall include the amount of any interest or other sum payable under the terms of this and all other contracts between the Seller and the Buyer under which the Goods were delivered.

9.5 The seller shall be entitled to reject any claim for warranty and any associated costs should the product have been incorrectly installed or maintained, operated inappropriately or used for purposes other than those purposes for which the product is designed or outside of those described in the product handbook or instructions.

9.6 The remedies contained in this Clause are without prejudice to the other Terms and Conditions herein, including, but without limitation, Clauses 10 and 11 below.

### 10 LIABILITY

10.1 No liability of any nature shall be incurred or accepted by the Seller in respect of any representation made by the Seller, or on its behalf, to the Buyer, or to any party acting on its behalf, prior to the making of this contract where such representations were made or given in relation to:

- 10.1.1 the correspondence of the Goods with any description;
- 10.1.2 the quality of the Goods; or
- 10.1.3 the fitness of the Goods for any purpose whatsoever.

10.2 No liability of any nature shall be accepted by the Seller to the Buyer in respect of any express term of this contract where such term relates in any way to:

- 10.2.1 the correspondence of the Goods with any description;
- 10.2.2 the quality of the Goods; or
- 10.2.3 the fitness of the Goods for any purpose whatsoever.

10.3 All implied terms, conditions or warranties as to the correspondence of the Goods to any description or the satisfactory quality of the Goods or the fitness of the Goods for any purpose whatsoever (whether made known to the Seller or not) are hereby excluded from the contract.

### 11 LIMITATION OF LIABILITY

11.1 Where any court or arbitrator determines that any part of Clause 10 above is, for whatever reason, unenforceable, the Seller shall be liable for all loss or damage suffered by the Buyer but in an amount not exceeding the contract price.

11.2 Nothing contained in these Terms and Conditions shall be construed so as to limit or exclude the liability of the Seller for death or personal injury as a result of the Seller's negligence or that of its employees or agents.

### 12 INTELLECTUAL PROPERTY RIGHTS

All Intellectual Property Rights produced from or arising as a result of the performance of this Agreement shall, so far as not already vested, become the absolute property of the Seller, and the Buyer shall do all that is reasonably necessary to ensure that such rights vest in the Seller by the execution of appropriate instruments or the making of agreements with third parties.

### 13 FORCE MAJEURE

The Seller shall not be liable for any delay or failure to perform any of its obligations if the delay or failure results from events or circumstances outside its reasonable control, including but not limited to acts of God, strikes, lock outs, accidents, war, fire, breakdown of plant or machinery or shortage or unavailability of raw materials from a natural source of supply, and the Seller shall be entitled to a reasonable extension of its obligations. If the delay persists for such time as the Seller considers unreasonable, it may, without liability on its part, terminate the contract.

### 14 RELATIONSHIP OF PARTIES

Nothing contained in these Terms and Conditions shall be construed as establishing or implying any partnership or joint venture between the parties and nothing in these Terms and Conditions shall be deemed to construe either of the parties as the agent of the other.

### 15 ASSIGNMENT AND SUB-CONTRACTING

The contract between the Buyer and Seller for the sale of Goods shall not be assigned or transferred, nor the performance of any obligation sub-contracted, in either case by the Buyer, without the prior written consent of the Seller.

### 16 WAIVER

The failure by either party to enforce at any time or for any period any one or more of the Terms and Conditions herein shall not be a waiver of them or of the right at any time subsequently to enforce all Terms and Conditions of this Agreement.

### 17 SEVERABILITY

If any term or provision of these Terms and Conditions is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if these Terms and Conditions had been agreed with the invalid, illegal or unenforceable provision eliminated.

### 18 GOVERNING LAW AND JURISDICTION

This Agreement shall be governed by and construed in accordance with the law of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
